

CALL TODAY AND JOIN THE ALLIANCE TO
PROTECTING OUR CHILDREN
WHILE SAVING OUR ENVIRONMENT!

We make it simple.

STOP! It's Not Trash

You can eliminate millions of tons of waste headed to landfills by recycling with Polygreen. We'll commit to a partnership of up to 5 years.

Save Green by Going Green

Help our environment and save money on disposal fees. We'll pay per pound for your foam scrap and even cover the shipping.

Cleaner Planet + Safer Play

Secure the future of our children and protect them while they play. We will re purpose your foam waste into panels that are used as safety pad underneath playgrounds right here in the U.S.

We recycle Polyethylene Foam in various densities of the following:

- Post-Industrial
- Cross Linked
- Laminated
- Extruded
- Beaded
- Polyethylene Foam with PSA (Pressure Sensitive Adhesive)
supplier must remove the peel

We accept foam in the following forms:

- Baled
- Buns
- Sheets
- Loose scrap
- Palletized end pieces
